January 8, 2016

Dear Parents of Grade 7 students:

We are in the process of pre-transitioning students to high school for next year. We need some information from you to help us ensure your son/daughter is transitioned to the appropriate high school based on your current residence. The majority of our students live within our catchment area and will feed to Burnaby Mountain Secondary. If you are unsure of your child's catchment school, you can go online and use your address to check your catchment school. Burnaby's school locator can be found on the web at: <http://www.sd41.bc.ca/> and on the right side of the screen choose the school locator link.

Please indicate below which category your son/daughter fits into so we can transition them to the appropriate secondary school. Please return the bottom portion of the form to **Mrs. Schaeffers by email (as an attachment) to [judy.schaeffers@sd41.bc.ca](mailto:judy.schaeffers@sd41.bc.ca)** or by paper by **January 15, 2016**.

Thank you,

Bruce Cornell  
Vice Principal
