On Monday, January 18th I will be making an author visit to your students school. The presentation will draw from my award-winning children's novel series, ***Wrush: Volumes One and Two*** (for ages 7-12). ***Wrush*** is the story of Tabetha Bright, an eight-year-old girl in a wheelchair who uses creativity to overcome obstacles. With the help of a magic pen, Tabetha escapes the dreary walls of her hospital, writing her way into faraway worlds where adventure, friendship, and incredible challenge reveal the inner strength that lies hidden within her.

Wrush was awarded the Moonbeam Award, the ForeWord Reviews Book of the Year Award, the Writer's Federation of New Brunswick Literary Prize, was nominated for the ALA Schneider Family Book Award, and has been endorsed by many organizations.

If your child would like to purchase a signed copy of ***Wrush: The Secret Worlds Of Tabetha Bright***, or the sequel, ***Wrush: Tabetha's Last Task***, books will be available for \$12 each, or \$20 for both. All additional books \$10. Checks can be made payable to *Secret Worlds Productions Ltd*

Sincerely,
